

"AMAZING GRACE" Golf Classic

JOIN RYAN PICKETT, FORMER HOUSTON TEXAN
TO BENEFIT THE CHILDREN'S NEUROBLASTOMA CANCER FOUNDATION
Monday, May 22, 2017 - Golf Club of Houston (*Home of Shell Houston Open*)

Amazing Grace Golf Classic was founded in 2006 by Scott and Becky Scasny after losing their daughter, Gracie to neuroblastoma in 2006. She was only 2 ½ years old. Today, the golf outing has grown to more than 300 participants strong and has raised nearly \$500,000 in just a few short years.

The friends and families of Amazing Grace Golf Classic have joined together and are determined to raise money and awareness for neuroblastoma research. Our children are in a desperate situation, with little guarantee that they will survive this cancer. Cancer treatments are scary, painful, long, and full of tears and prayers. Imagine going through all of these treatments before you can even spell your name. Help us bring HOPE and a CURE to all the little children that are battling neuroblastoma.

KIDS

Please Join Us

HOPE

With the goal of improving community awareness, raising funds for neuroblastoma research, and celebrating the lives of children living with and surviving neuroblastoma, it is our pleasure to welcome you to the Annual "Amazing Grace" Golf Classic. Join Ryan Pickett, Mark Clayton (Marks Brother), Matt Turk and more! We will spend a day together filled with joy, hope, and promise of children held strong in our hearts. We will come together in support of grossly underfunded but incredibly important research.
